PROFESSIONAL SUMMARY

Results-driven IT graduate with over 10 years of combined experience in customer service, technical support, and service desk environments. Skilled in hardware and software troubleshooting, user support, documentation, and customer communication. Holds a Bachelor's degree in Information Technology, a Level 7 qualification in Digital Technologies, and currently completing a Master's degree in Business Informatics. Experienced in supporting users through phone, email, and in-person channels while maintaining strong service standards and problem-solving efficiency. Seeking a Service Desk or IT Support role where I can apply my technical and customer service skills, contribute to team success, and continue developing within the IT industry.
